MEDIA RELEASE

GOLD FIELDS CLOSES DEBUT US\$1bn BOND

Johannesburg, 8 October 2010: Gold Fields Limited (Gold Fields) (JSE, NYSE, NASDAQ Dubai: GFI), last week announced a 10-year, US\$1 billion bond offer to international investors. The transaction was successfully completed yesterday.

This transaction was executed on 30 September 2010, where the final order book was more than two times oversubscribed from high quality accounts. The final coupon of 4.875% per annum is the lowest US\$ rate achieved by a South African corporate in the international bond market this year.

Paul Schmidt, Chief Financial Officer, said: "The 10 year tenor of this bond will fit nicely in with our long term quality assets without increasing the group's debt position. Gold Fields will have more than \$1.3 billion of committed bank facilities available after the net proceeds of the bond have been used to refinance some bank facilities and commercial paper notes in issue. The bond significantly strengthens our liquidity and debt maturity profile. "

This press release does not constitute an offer of securities for sale or a solicitation of an offer to purchase the securities mentioned in this announcement (the "Securities") in the United States. The Securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and have not and may not be offered or sold, directly or indirectly, in or into the United States absent registration or an applicable exemption from the registration requirements under the Securities Act. There will be no public offer of Securities in the United States.
